

ABOUT THE WESTERN DIVISION

The NYS Chapter is divided into eight geographical divisions that each reflect local membership and community issues. The Western NY Division includes: Allegany, Cattaraugus, Chautauqua, Erie, Genesee, Niagara, Orleans, and Wyoming Counties.

The WNY Division Steering Committee works hard to develop and plan events to enhance and interest the local social work community. Events are usually free of charge and all are welcome. We aim to host events that meet your needs and the needs of the Division as a whole. We meet monthly and welcome your participation - come and share your thoughts about what you wish to see in your Social Work community! Let us know how we can best serve you.
