Jesse forwarded a copy/layout of the draft for us to review. Sylvia stated she printed a copy of it and it did not line up in a trifold format. Cheryl E. stated we should have the brochure put on our division's web page on the State chapter's website. The Committee members agreed that under the "contacts" section of the brochure the Chapter's website "naswnys.org" should be in bold print. Jesse stated feedback from the Chapter regarding our division brochure seems to be positive. Jesse stated she will email Kate with our suggestions for changes. She stated we should be proud of our accomplishment. She stated the Chapter will send us copies of the brochure once it is finalized.
